## Instructions for Simply Spelling

1. Monday - Google each of your spelling words, listen to the pronunciation and repeat them out loud. Then, write your spelling words 3 times.
2. Tuesday - Write the definition for each spelling word.
3. Wednesday - Write a sentence using each spelling word.
4. Thursday - Do the word search puzzle.
5. Friday - Take the spelling test.

The words you get wrong on the spelling test need to be corrected on the test after it is graded.

Keep EVERYTHING in this notebook!

Put the test back in the notebook when you are done so you can keep up with the grades.

Write the spelling test grades on the test and on the grade sheet at the front of the notebook.

Google the words, listen to the pronunciations and write the words 3 times.
